### [Broadening into liquid packaging](#)

We have broadened our product range to include jerrycans, which are available from 3 litres to 20 litres, for the transport of foodstuffs as well as for chemicals.

Hence, we now offer very strong boxes (with UN approved options), jerrycans (plastic bags to hold liquids), caps and taps from stock at 48 hours' notice. Boxes can be printed with bespoke branding or taken from our standard range.

If you'd like a quote for a jerrycan or multi-bottle bottle pack, just drop me a line and we'll race back with a competitive quote.

### [Wine bottle packs](#)

Our gluing machinery can accommodate a variety of multi-point glued packs. For example, we are able to produce designs like the pictured wine bottle pack, which can make a quick-erect pack with integral dividers. Please let me know if you have any multi-point glued packs that we can quote for.

and a pint' during a football game in our Executive Box at the Emirates Stadium?

Please drop a line to John care of [jwatson@cpholdings.co.uk](mailto:jwatson@cpholdings.co.uk) to kick off your booking.
