

#### [Offering a safety net on your packaging costs](#)

We appreciate that it's a tough gig running a business at the moment; notably trying to balance a rising cost base and subdued demand.

As one of the top five UK corrugated sheet plants (out of circa 300), we've used our buying power to offset some significant additional costs. We have also invested in new machinery to lift our productivity and capacity.

That means a stable outlook for our box prices to you despite the inflationary environment, so you can avoid having to metaphorically follow the brave soul in the picture above (am I alone in hoping that he's got his mobile phone on silent...the last thing he needs is something that makes him jump?)

### [Challenge our Hayley for a quick, competitive quote](#)

Why not ask Hayley (our hyper-efficient Estimator) to race back with a competitive quote for a box that you're about to buy?

Rather impressively, we managed to reply back with a quote recently in five minutes to someone whose computer clock was ten minutes fast...giving us empirical proof that we actually provided a quote BEFORE it was requested; thereby defying Einstein's general theory of relativity.

Please drop a line to Hayley via: [hbody@cpholdings.co.uk](mailto:hbody@cpholdings.co.uk)

### [Stackable trays](#)

Our product range includes highly competitive die cut produce and bakery trays, with bespoke as well as two popular, generic off-the-shelf options. Trays can be supplied plain or printed and we're happy to supply as little as one pallet or as many as 100,000+ trays. Board quality can be single or double wall...white or brown.

If you have a requirement for stackable trays, please drop me a line via to arrange an initial consultation.

### [Invitation to join us at The Arsenal](#)

We appreciate that time is precious – so why not combine work with a weekend afternoon or a weekday evening by meeting us to discuss your packaging requirements whilst joining us for a metaphorical 'pie and a pint' during a football game in our Executive Box at the Emirates Stadium?

Please drop a line to John care of [jwatson@cpholdings.co.uk](mailto:jwatson@cpholdings.co.uk) to kick off your booking.
