REACH & SVHC Declaration

Document Number	CPL-COMP-001
Version	2.0
Issue Date	4 August 2026
Review Date	4 August 2027

REACH (EC) No. 1907/2006

Cumberland Packaging Ltd is committed to complying with the requirements of the European Union REACH Regulation (Registration, Evaluation, Authorisation and Restriction of Chemicals) (EC No. 1907/2006).

As a manufacturer and supplier of corrugated packaging, we work closely with our raw material suppliers to ensure that materials used in our products comply with the applicable requirements of the REACH Regulation.

Substances of Very High Concern (SVHC)

Based on information provided by our suppliers and our knowledge of the materials used in our manufacturing processes, Cumberland Packaging Ltd confirms that the products supplied by us do not contain any Substance of Very High Concern (SVHC) included on the current European Chemicals Agency (ECHA) Candidate List in concentrations exceeding 0.1% weight by weight (w/w).

This declaration is based on the current European Chemicals Agency (ECHA) Candidate List applicable on the issue date of this document and will be reviewed periodically to reflect legislative updates.

Safety Information

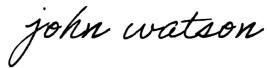

Where applicable, Safety Data Sheets (SDS) are obtained from our suppliers and made available to customers upon request. We continue to monitor developments in REACH legislation and maintain communication with our supply chain to ensure ongoing compliance.

Conflict Minerals

Cumberland Packaging Ltd does not intentionally add or use tin, tantalum, tungsten or gold (3TG) in the manufacture of its corrugated packaging products. This statement is based upon information provided by our raw material suppliers and our current knowledge of the materials used in our manufacturing processes.

Should any material changes occur that affect this declaration, we will review and update this statement accordingly.
